Letter of Internship Engagement

To,
Muhammad Ali Sahito

Dear Muhammad Ali Sahito,

Following the review of your academic qualifications and the successful verification of your technical onboarding files, we are absolutely delighted to extend to you an official offer to join the CoreTech Innovations One-Month Remote Internship Program as an intern in the Data Analytics track.

Your engagement is scheduled to commence officially on June 01, 2026 for a duration of One Month (1 Month). During this remote internship program, you will participate in enterprise-level sprints, solve realistic technical grids, and work under the weekly evaluation of lead mentor engineers.

Upon the satisfactory completion of all curriculum tasks and maintaining a cumulative grade point above the minimum required threshold, you will be awarded an accredited Completion Certificate featuring a unique verification hash.

Important Instructions:

All task details, curriculum guides, and project materials will be available on your student portal starting from June 01, 2026. Please regularly check your portal for updates and submission deadlines.

If you have any confusion or require any clarification regarding your internship, tasks, or portal access, please do not hesitate to contact our official support number: 03091800187 or email us at hr@coretechio.com.

We are excited to witness your technical contributions and wish you a highly productive and enriching learning experience with us. Welcome aboard!

Sincerely,
Nisha Nazir
HR Officer, CoreTech Innovations
