#Slicers:

1) Date

2) Product Category

3) Payment Method

The screenshot displays the Microsoft Power BI Desktop application. The main workspace shows a data model with three tables: **Date**, **Product Category**, and **Payment Method**. The **Date** table contains date-related fields (M..., T..., W..., T..., Fr..., S..., S..., M..., T...). The **Product Category** table contains product-related fields (Be..., Cl..., EL..., H..., Sp...). The **Payment Method** table contains payment-related fields (Ca..., Cr..., De..., Pa...). The right sidebar shows the **Visualizations** pane with various chart types and the **Filters** pane. The bottom status bar indicates 'Page 3 of 3' and a zoom level of 75%.
