The screenshot displays the Microsoft Power BI Desktop application. The ribbon at the top includes tabs for File, Home, Insert, Modeling, View, Optimize, and Help. The 'Insert' tab is active, showing options for Key influencers, Decomposition tree, Narrative, and a 'Add a sparkline' button. The main workspace contains three vertical slicers: 'Year' with values 2013 and 2014; 'Country' with values Canada, France, Germany, Mexico, and United States; and 'Segment' with values Channel, Enterprise, Government, Midmarket, and Small business. The right-hand pane shows the 'Data' and 'Visualizations' sections. The bottom status bar indicates 'Page 3 of 3' and a zoom level of 75%.
