

6 KPI Cards ki Explanation (With Real-Life Examples)

1. Sum of Project Budget (412K)

- **Business Matlab:** Ye aapki company ki kul kamai ya revenue potential ko dikhata hai.
- **Real-Life Example:** Jaise aapki dukan par pure mahine mein total **412,000 PKR** ki sale ki bookings hui hon. Ye dikhata hai ke aapka business kitna bada chal raha hai.

2. Count of Client ID (50)

- **Business Matlab:** Ye aapke active customers ya clients ki tadaad batata hai.
- **Real-Life Example:** Jaise ek university ke hostel mein total **50 students** reh rahe hon. Is se pata chalta hai ke aapke sath kitne log jude hue hain.

3. Average of Client Rating (5.00)

- **Business Matlab:** Ye customer satisfaction (khushi) ka scale hai.
- **Real-Life Example:** Jaise aap Daraz ya Careem par koi cheez order karein aur har customer khush hokar **5-stars** de. Iska matlab aapki service ki quality bilkul top-class hai.

4. First Payment Status (un-paid)

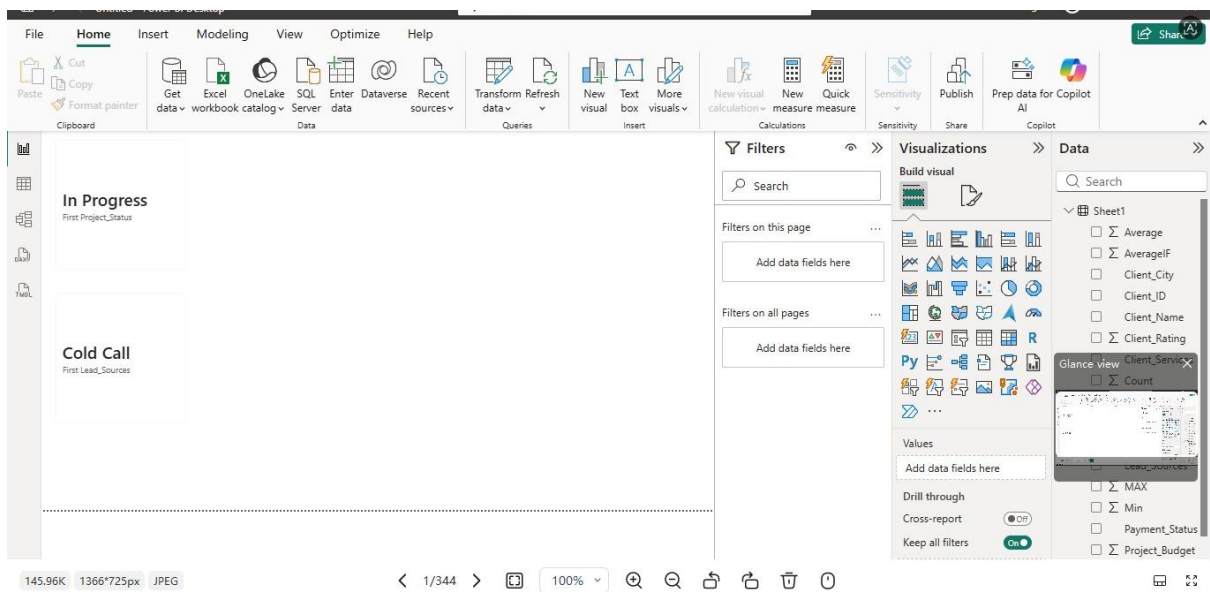

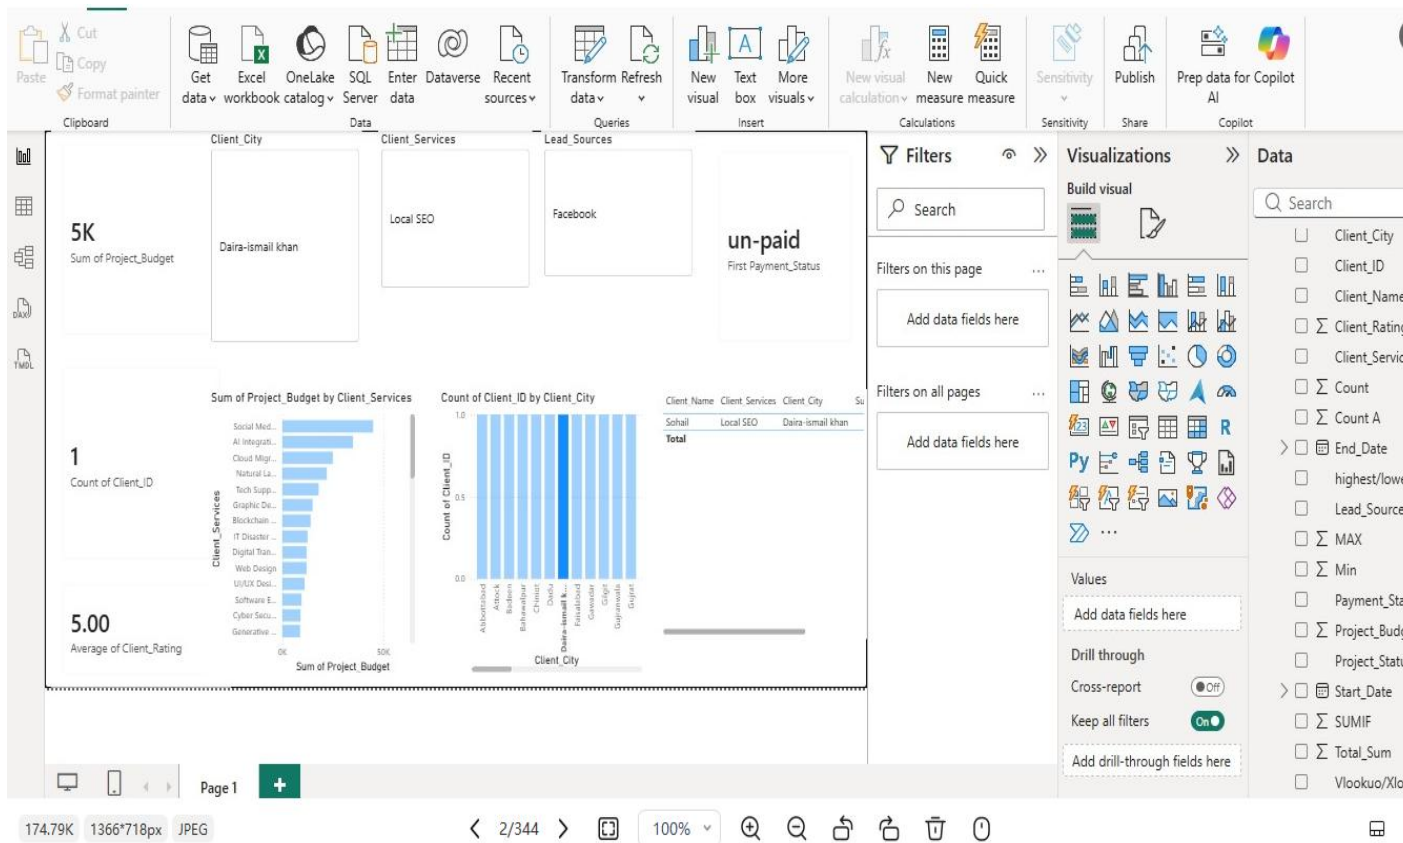

- **Business Matlab:** Ye dikhata hai ke filhal market se paisa aana baqi hai.
- **Real-Life Example:** Jaise udhaar par maal becha ho aur abhi customer se **paise lena baqi** hon. Ye cash-flow manage karne ke liye dekha jata hai.

5. First Project Status (In Progress)

- **Business Matlab:** Ye chalte hue operations ya kaam ki haalat ko dikhata hai.
- **Real-Life Example:** Jaise ek builder ne ghar banana shuru kiya ho aur abhi **construction ka kaam chal raha ho**, khatam na hua ho.

6. First Lead Sources (Cold Call)

- **Business Matlab:** Ye batata hai ke naye customers tak pohnechne ka pehla zariya kya tha.
- **Real-Life Example:** Jaise aap kisi anjan bande ko **phone karke apni product ke baare** mein batayein (Cold Calling) aur wo aapka customer ban jaye.

5 Key Highlights (Insights) For Your Task

1) Total Revenue Potential: CoreTech business ne projects ke zariye total 412,200 PKR ka budget pipeline generate kiya hai.

2) Customer Base: Company ke paas is waqt total 50 unique clients active hain jo business ki growth ko dikhata hai.

3) 100% Client Satisfaction: Overall client rating 5.0/5.0 hai, jo sabit karti hai ke customer service aur delivery ki quality behtareen hai.

4) Operational Status: Saare projects filhal actively In Progress hain, yani company ki team is waqt poori tarah kaam mein busy hai.

5) Pending Cash Flow: Filhal payment status un-paid show ho rahi hai, jiska matlab hai ke projects mukammal hone par company ke paas ek bada cash inflow aane wala hai.
